### A BRIEF LIST OF MATERIALS FOR LEARNING INNU-AIMUN AND RELATED VARIETIES

The following list includes publications of relevance for those interested in the Innu language. Various language materials and a more extensive bibliography are available through the Innu language website, [www.innu-aimun.ca](http://www.innu-aimun.ca).

The East Cree website ([www.eastcree.org](http://www.eastcree.org)) offers information on a dialect closely related to Innu-aimun, including description of the grammar.

More information on Algonquian languages can be found in *Algonquian and Iroquoian Linguistics*, which regularly contains bibliographical updates for all varieties. These include the following bibliography, which includes Innu-aimun and covers publications and papers up to 1995:

Clarke, Sandra and Marguerite MacKenzie. 1995.  
Cree/Montagnais/Naskapi reference bibliography. *Algonquian and Iroquoian Linguistics* 20.4: 40-56.

In addition, the website of the Society for the Study of the Indigenous Languages of the Americas (SSILA) contains a searchable database of books on Aboriginal languages, including abstracts and ordering information: [www.linguistics.buffalo.edu/ssila](http://www.linguistics.buffalo.edu/ssila).
